🍷 Can I pay using another currency?

Yes, by prior arrangement. Euro and British Sterling is the preferred choice, however we will always try our best to accept all other major currencies i.e Euro, Dollars etc. Exchange rate calculation will be at the discretion of the admin arranging your date and a 8% surcharge is also added for exchange commission.

🍷 Is escort service legal? Am I breaking the law?

Yes escort service is legal, and no, you're definitely not breaking the law. We are simply introducing you to individuals who take payment in exchange for spending their time with you. What the models do when they are with you is their business and yours – it's nothing to do with us. As for you, as long as you don't pay anyone under the age of 18 to be an escort for yourself, you're fine. All our models are assuredly over age and have provided us with documented proof of their age and nationality.

👑 Can I book more than one model at a time?

Of course. Not all of our models offer this service, but those that do have a note to that effect on their own profile page, along with information about their preferred partners.

👑 Can my partner and I see an escort model together?

Yes, some of our models enjoy meeting couples as well as singles! However not all models are so open minded, so it would be very helpful to inform us prior to booking that you wish to include a 3 party so that we can ensure your selected escort model is happy with the arrangements. Often there may be an additional charge, the amount is at the escorts discretion.

👑 Are the model fees negotiable?

No Sorry, they are not negotiable. The models we represent are professional services. They use their assets and skills in the same way your lawyer or accountant does. The only circumstances under which negotiation might take place is if you were taking one of our escorts out for a longer period than is listed on her scale of fees. In such a situation we would expect to discuss the price with you.

👑 Are the pictures on the models' profile pages genuine?

They are all absolutely genuine. Some escort company's will fob you off with fake pictures – we don't. We have a policy of always meeting our models individually to ensure their pictures are genuine. All our galleries show the genuine photos of our London and international escorts, so if the girl you meet isn't the girl you were expecting there can be no arguments. We respect our clients, we don't cheat them.

👑 If I have a special request – is that OK?

We're quite happy to pass on our client's requests to our models. If it's fairly simple – "Could she bring a girlfriend?" "Can she wear a black dress and stockings?"– we might be able to help you on the spot. Otherwise, we're not able to enter into negotiation about the personal services you may receive during your outcall experience. That's down to you and her. We are, however, quite content to pass on special requests.

👑 What are incalls and outcalls?

If you book an model for an outcall appointment, she will visit you – sometimes in your home, but more usually in your hotel room. Please bear in mind that some of our london escorts only travel to hotels and houses and may only be available for outcalls. For an incall, you visit our models in there London apartment or If you require an International

appointment you can visit them in their city of residence.

Outcall appointments tend to be a little longer than in calls, because our clients often like to take their escort models for dinner, or to a show, concert, corporate event or even club. The minimum booking is for one hour and beyond that, you can hire a Girls from Paradise escort girl for as long as you like, mainly all day or even for the week.
